AUSTRALASIAN HIGH PRESSURE
WATER JETTING ASSOCIATION

AUSTRALASIAN DRAIN CLEANING
AND VACUUM ASSOCIATION

ausjetinc.com.au

The Australasian High Pressure Water Jetting Association (AUSJET), incorporating the Australasian Drain Cleaning and Vacuum Association (ADCVA), is the peak national industrial services industry representative body with members across Australia and internationally.

AUSJET and ADCVA exists to strengthen safety standards for business and industry working in the Water Jetting, Drain Cleaning, Vacuum Loading and Hydro Excavation Industries.

Our aim is to strengthen and provide safer work environments and safety training including the development of Australia Standards for our members.

Our Mission

To develop a safe work environment through standards, training and advocacy in the interest of our members throughout Australasia.

Our Vision

AUSJET endeavour to be the world leading association for the Water Jetting, Drain Cleaning, Vacuum Loading and Hydro Excavation Industries and lead in standards, safety, training and industry advocacy.

Our Values

Clean-Up Industry Safely
Industry Leadership - Zero Harm

Our Core Services

Becoming an AUSJET and ADCVA member provides opportunities to be a part of a proactive and innovative network that promotes capability and capacity of our members and provides a strong network of member companies and businesses.

AUSJET and ADCVA has five Core Services to represent and assist your business in creating success.

1. CREATING A SAFE WORKPLACE

- Working with industry to implement and maintain safety procedures
- To promote and facilitate the continual development of a safe work environment
- To build the capability and capacity of your business to meet best safety practices

2. DEVELOPING A SAFETY CULTURE

- Keeping you up to date with the latest safety legislation and procedures
- To facilitate ongoing training development in the industry
- To promote and facilitate standardisation of safe work practices in the industry

3. PROFESSIONAL SERVICES & HIGHER EDUCATION

- To educate and develop your business into a safe workplace
- Developing employee skills to build and maintain a safe workplace
- Sharing our knowledge to educate, innovate, adapt and grow your business

4. NETWORKING & COMMUNICATION

- Connecting you to opportunities through the facilitation of professional networks
- Keeping you updated through research, legislation, industry news and information
- To promote and encourage communication and development

5. ADVOCATE & INFLUENCE CHANGE

- Creating a sustainable industry by encouraging better safety procedures
- Promoting members to industry and the community and advocating for high safety standards
- Representing your interests by influencing policy and decision makers through providing a single voice

Safety

AUSJET and ADCVA have a long history of working with industry to develop Industry and Australian Standards, for the Water Jetting, Drain Cleaning, Vacuum Loading and Hydro Excavation industries.

Safety education and training is important to AUSJET and ADCVA and we provide tools for informing workers and managers about workplace hazards and controls so they can work more safely and be more productive.

We are committed to communicating incidents and the control of incidents, via SAFETY ALERTS provided by both our members and incident alerts globally.

Training

Training is one of AUSJET's and ADCVA's main objectives where we ensure our members can access training.

Workplace safety training is a process that aims to provide your workforce with knowledge and skills to perform their work in a way that is safe for them and their co-workers.

In line with our core services to promote and facilitate the standardisation of safe work practices in the industry the association has developed a suite of nationally accredited training courses.

AUSJET/ADCVA can supply your business with Class A Training Packages:

- Class A Training Package (Member) - \$40 + GST per person and
- Class A Training Package (Non-Member) - \$60 + GST per person

Contact AUSJET/ADCVA support@ausjetinc.com.au to acquire Class A Training Packages or to be put in touch with one of our member trainers.
